## OBJECTIVE

As a passionate Information Technology enthusiast, I am committed to gaining practical experience across various IT fields. My goal is to apply and expand my knowledge while sharing insights with others. I strive to continuously learn, develop my skills, and contribute meaningfully to the IT industry through hands-on experience and collaboration.

## WORK EXPERIENCE

### Freelance Web Developer (2023 – Present)

- Designed and developed custom websites using HTML, CSS, JavaScript, Bootstrap, and Python (Flask/Django).
- Built database solutions using MySQL & Firebase.
- Provided IT consultation and troubleshooting for students and individuals.

### Mobile & Laptop Repair Technician (2021 – 2023)

- Diagnosed and repaired hardware and software issues for mobile phones and laptops.
- Provided OS installation and troubleshooting for Windows, macOS, and Android.
- Replaced and repaired damaged components (screens, batteries, motherboards).
- Assisted clients with computer system issue.

### Helper Technician (2019 – 2020)

#### Toyota Marilao Car Dealership – Marilao, Bulacan

- Assisted in oil changes and basic vehicle maintenance tasks.
- Collected and replaced car filters as part of routine maintenance.
- Ensured a clean and organized work environment in the service area.
